Turn your summerhouse into a home office

Rather than take up space in your home, work in your summerhouse...

Don't have space for a home office? Why not turn your shed into an inspiring place to work.

Decorating ideas

- * **pick a small desk and comfortable chair.** If you have space go for a cosy sofa where you can relax when you need a break from your laptop.

- * **Choose clever space-saving storage**, such as a wall-mounted magazine rack or a compact shelving unit, both are ideal for keeping paperwork, books and files in order.
- * **Give yourself enough desk space.** Choose a desk that can be extended so you have plenty of work space.
- * **Position your desk and chair by the window** so you get the best possible light while you work.
- * **If you want power for electrical equipment**, you'll need to have a cable run from your main power supply to the summerhouse.

Get the look

- Shelf unit; for similar try [Ikea](#)
- For similar rattan furniture try [The Pier](#)
- For similar cushions try [John Lewis](#)
- Muddus drop table, £24.90, [Ikea](#)
- Chair, £35; thermometer, £16; both [Garden Trading](#)
- Wall magazine rack, £18, [Garden Trading Store](#)
- To find an electrician in your area, contact the NICEIC (0870-013 0382; www.niceic.org.uk).
